

## GRANT INFORMATION

The Wolpoff Family Foundation funds programs and activities that are primarily located in Montgomery County, Maryland and benefit Montgomery County residents.

Programs should encourage, support or expand activities related to community, arts & culture, career development, education, or medical research. Programs should meet a demonstrated need and be well defined with a measurable impact or outcome.

The annual Grant program will award grants to tax exempt organizations as described in Section 501(c)(3) of the Internal Revenue Code. These grants will be awarded for specific initiatives or endeavors, such as launching a new project or program, or expanding a current program that furthers the Wolpoff Family Foundation's mission.

Grants will not be awarded for ongoing operating support, endowments, capital construction, fundraising campaigns or efforts to influence legislation or public elections or to pay off existing debts or deficits. Grants will not be awarded to individuals.

Our efforts are focused in a specific geographic region and generally fall within the categories outlined. However, we are willing to consider requests outside of our stated scope on a limited basis, should that request align well with our stated mission.

Grant applications are extended by invitation only and are due by May 15th to be considered at our annual meeting. If you have a specific request that falls within the intent of our mission statement and program areas, we welcome your inquiry. Our maximum grant for first time grantees is \$10,000. To be considered for an invitation to apply for a grant, please submit 1) a brief introduction to your organization, 2) a short description of the program for which you are requesting support, and 3) your contact information, to [info@wolpoff-familyfoundation.org](mailto:info@wolpoff-familyfoundation.org).
