Grants will not be awarded for ongoing operating support, endowments, capital construction, fundraising campaigns or efforts to influence legislation or public elections, or to pay off existing debts or deficits. Grants will not be awarded to individuals.

Our efforts are focused in a specific geographic region and generally fall within the categories outlined. However, we are willing to consider requests outside of our stated scope on a limited basis, should that request align well with our stated mission.

If you have a specific request that falls within the intent of our mission and program areas, we welcome your inquiry. Inquiries to apply are accepted from Jan. 2 through Feb. 29, 2024.

Once invited to apply, please submit your request in 400 words or less, by PDF email attachment, formatted as single letter-size page, double return between paragraphs, using a basic font at a minimum of 12 point size. If you have supporting materials that you would like to share, please attach those separately.

Grant applications are extended by invitation only, and are accepted from April 1 through May 10, 2024. Please note: our maximum grant for first time grantees is \$15,000.
